New-build website SEO

Holistic and bespoke approach supporting overall business goals

TESTIMONIALS

"I've worked with a number of SEO professionals in the last few years and Caroline is one of the best. She has an in-depth knowledge of SEO along with much broader web experience that includes technical knowledge, user experience and social media." - Dave Halsey, CTO at MoneySupermarket.com (formerly CTO at Envirofone)

"Choosing to work with Caroline to improve our SEO performance was definitely one of the best decisions I've made since I started the business. Her knowledge and experience in the field is truly impressive." - Di Walker, Founder of Lily Luna Jewellery Boutique

EXPERIENCE & RESULTS

September 2013 – Present: Technical SEO Consultant and MD at Blue Hat Media Ltd

Helping businesses achieve growth in revenue from organic search traffic by identifying and implementing technical SEO improvements
Trusted, outsourced SEO service provider to a number of marketing agencies
